A WHOLESOME TOWN YOU WILL LOVE

COME HOME TO BLISS

An idyllic neighbourhood designed for peaceful living — Bliss provides you with a cosy community that is perfect for nurturing family, strengthening friendships and making memories that last a lifetime.

DUBAI'S FIRST URBAN VILLAGE

Whitewashed houses, cobbled streets, modern neoclassical homes, winding paths bringing the community together. Bliss is Dubai's first urban village with a sustainable design inspired by the warm and close-knit organic cities and neighbourhoods.

WHERE YOUR CHILDREN CAN RUN FREE

Bliss is designed to be a pedestrian-friendly community where children can play as freely in their backyards as they can on the streets in front of your villa.

Broad walkways and paved streets are built to further instill a walkable community and town feel, where you can reach every amenity in the neighbourhood on foot within minutes.

WHERE BEAUTY LIES AT EVERY CORNER

The cosy ambience of Bliss is further accentuated with the green grass, small plants, shade-giving trees and vibrant flowers that make every street and every corner of the neighbourhood a treat for the eyes.

UNIQUE HOMES FOR YOUR HAPPY FAMILY

The colour palettes, interior space architecture, materials and skylights all complement each other to give you and your family an ideal home.

Villas also come with a large courtyard that is perfect for having barbeques, entertaining guests, as well as giving your children more space to play freely.
